Keynote Speakers

Prof. Ming-Chien Kao  
Taiwan  
- Founding President of the World Laser Medicine Congress(WLMMC)  
- Chairmen of Laser Medicine Education and Research Foundation  
- Honorary President, International Society for Laser Surgery and Medicine (IFSLSM)  
- President, World Federation of Societies for Laser Medicine and Surgery (WFLSAMS)

Prof. Leonardo Longo  
Italy  
- Founding President of the International Academy for Laser Medicine and Surgery (ISLMS)  
- Leonardo Longo, M.D., is endocrinologist, Head of Institute for Laser Medicine of Bologna LUI, Professor of Laser Medicine and Surgery at the University of Bologna, Italy.  
- Fellow of 24 Scientific Societies, founding and honour member of 5 Scientific Societies, President of the International Society of Laser Surgery and Medicine (ISLMS), from 2005 until 2009, President of the International Phototherapy Association (PTA), for the years 2009-2011, President elected of the World Federation of Societies for Laser Medicine and Surgery (WFLSAMS 2013-2017). He is visiting Researcher Professor of University of Bethesda and Vanderbilt, USA; Cameli Budapech; Klaedo and Prague.

Prof. Toshio Ohshiro  
Japan  
- Honorary President of World Association for Laser Surgery and Medicine  
- Vice president and Board Member of Japan Society for Laser Medicine and Surgery  
- Founding and Chief editor of ‘Laser Therapy’  
- Visiting professor of University of Turkmenistan; Association IPTA, for the years 2009-2011, President elected of the World Federation of Societies for Laser Medicine and Surgery (WFLSAMS 2013-2017). He is visiting Researcher Professor of University of Bethesda and Vanderbilt, USA; Cameli Budapech; Klaedo and Prague.

Prof. Leonardo Longo  
Italy  
- Founding President of the International Academy for Laser Medicine and Surgery (ISLMS)  
- Leonardo Longo, M.D., is endocrinologist, Head of Institute for Laser Medicine of Bologna LUI, Professor of Laser Medicine and Surgery at the University of Bologna, Italy.  
- Fellow of 24 Scientific Societies, founding and honour member of 5 Scientific Societies, President of the International Society of Laser Surgery and Medicine (ISLMS), from 2005 until 2009, President of the International Phototherapy Association (PTA), for the years 2009-2011, President elected of the World Federation of Societies for Laser Medicine and Surgery (WFLSAMS 2013-2017). He is visiting Researcher Professor of University of Bethesda and Vanderbilt, USA; Cameli Budapech; Klaedo and Prague.

Prof. Michael Stark  
Germany  
- June/December 1972, Postgraduate internship, general surgery, Ishov Hospital. Head: Prof. M. Solovitchik, Medical School, Tel-Aviv, 1973-1978, Residency in obstetrics and gynecology, Shaare Zedek Medical Center, affiliated with Hadassah Medical School, Jerusalem. Head: Prof. Z. Pahi 1970-1971, Rotating Internship at the Bellinson University Hospital, Petach Tiqua, Israel 1964-1970, Medical School; graduated from Sackler Medical School, Tel Aviv University.

Prof. Narong Nimsakul  
Thailand  
- Laser Surgery, Tel Aviv University Hospital, Israel; February 1977  
- Received Japanese Government’s scholarship, April 1964/March 1974  
- Graduated from Chiba University, Chiba City, Japan 1968  
- Rotating Internship, U.S. Army Hospital, Camp Zama, Japan 1968/March 1969  
- General Surgery and Plastic and Reconstructive surgical training, Yokohama city University Hospital, April 1969/March 1974.

**International & Domestic Speaker (Dentistry)**

**Prof. Fabrice Baudot**  
France  
Dr. Baudot’s specialty is Periodontics and surgery. He is specialist also in working with microscope, combining with laser his approach is mainly “microsurgery”

**Prof. Georgi Tomov**  
Bulgaria  
The scientific interests and clinical practice of Prof. Tomov are focused on oral pathology and lasers applications in dentistry. Prof. Tomov is author of over 40 full-text publications in specialized dental journals. He is a major researcher in four scientific projects and co-author in textbooks on oral medicine for dental students. Prof. Tomov is also clinical consultant of WISH (Australia) and LinaMedics (Italy).

**Prof. Ben Ong**  
Australia  
Dr. Ben Ong graduated from the University of Singapore in 1974 and has been practicing dentistry for over 40 years. Ben focuses on minimally invasive dentistry in his practice and has a special interest in implant dentistry, laser surgery and orthodontics. In his time away from work, Ben likes to go fishing and enjoys travelling, computers and good food - he considers himself a foodie.

**Prof. Carlo Fornaini**  
Italy  
Carlo Fornaini is a researcher at the MICORALIS Laboratory, Faculty of Dentistry, University of Côte d’Azur (Nice, France). He is also working in the Group of Applied ElectroMagnetics (GAE) of the Department of Engineering and Architecture of the University of Parma (Italy). He focused his researches on the Laser-Tissue interactions, particularly in Implant dentistry, laser bleaching and oral surgery, as well as on the lasermatter interactions, particularly in metal welding and ceramic surface characterization.

**Prof. Jean-Paul Rocca**  
France  
DDS, MSc, PhD (Dentistry), PhD(Human Biology: microbiology), HDR(University of Nice Sophia Antipolis, UPMC Department of Odontologie ConservatriceEndodontie)

**June 30, 2019**  
**Main Lecture Program**  
Taipei International Convention Center (Room 101)
